

# Helping you get well sooner

**The last thing you need when you're sick is a hassle.**

That's why we make things easier for you with virtual appointments (phone or video), same-day appointments, average wait times of 3 minutes or less and quality, affordable care with providers who are dedicated to your unique needs.

**The Wellness Center is available to treat issues such as:** cold, flu, cough, sore throat, digestive issues, burns, bites, wounds, headaches, earaches and more.

## Feeling sick?

Find a Wellness Center near you for an in-person or virtual appointment.

### Who can use these services?
