

GET FREE COVID-19 HOME TEST KITS

Every home in the U.S. is eligible to order 2 sets of 4 free at-home COVID-19 test kits through covidtests.gov.

Employees enrolled in a Scholastic medical plan can also purchase up to eight FDA-approved tests per 30-day-period for no out-of-pocket cost. To access this benefit, visit a participating Express-Scripts pharmacy and select an FDA-approved COVID-19 at-home test kit.

Bring the test kit to the pharmacy counter (not the general check-out register)

Show your UnitedHealthcare insurance card to the pharmacist

Ask the pharmacist to use the Rx benefit listed on your insurance card and charge you a \$0 co-pay

For more information, visit the [Express Scripts COVID-19 Resource Center](#).
