

SICK? IS YOUR HEALTH CENTER FULL OR CLOSED?

Premise Health has partnered with The Little Clinic to provide care for sick visits after hours or if your health center is full. Simply call the patient support center OR use the chat feature to utilize this service.

Member must be an established patient (a visit with Premise Health provider within the last 18 months).

Give Premise Health a call
Call to receive your unique Premise Health authorization before visiting The Little Clinic.

Chat with a Health Advocate and receive your Premise Health authorization before visiting The Little Clinic.

Receive care during off-hours when you need treatment
You can now access the Little Clinic during Premise Health off-hours.

No copays or deductibles for office visits
Copays and deductibles will apply for medications, lab work and vaccines.

Medical records will securely be sent back to Premise Health
The Little Clinic & Premise Health will work confidentially and seamlessly to manage your care.

Here's how to secure your visit with The Little Clinic through Premise Health:

- 1** Call Our Patient Support Center at 877.685.5883 or use the Premise Health Chat feature to attempt to schedule an appointment with your health center.
- 2** If your health center is closed or full for the day, ask the Patient Support Center Advocate to secure your visit with the The Little Clinic location of your choice in your area.
- 3** Go to your chosen The Little Clinic location and advise the staff that Premise Health sent you, and proceed with your visit! Your spot will be secured for the business day.

Call the Premise Health Patient Support Center at 877.685.5883 for access to The Little Clinic.
