

How to schedule an appointment at Price Industries Health and Wellness Center.

Follow these steps to schedule your appointment using the My Premise Health app or online at mypremisehealth.com.

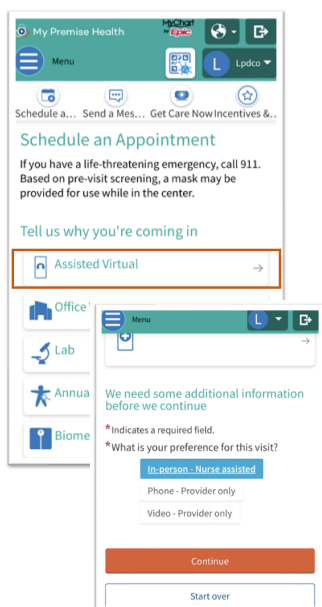

- 1 Log in to your My Premise Health account with your username and password. If you don't have an account, there are three ways you can create one:
 1. Complete your account registration during your next appointment.
 2. Visit or call the wellness center to request a registration link sent via email or text message.
 3. Visit mypremisehealth.com and click "Contact Support" for assistance.

- 2 In the dashboard select "Schedule an Appointment".

- 3 Select your desired appointment type from the available options. For a visit at the Health Center choose Assisted Virtual

- 4 If prompted, confirm whether you want to be seen in person or by phone or video.

- 5 Choose your preferred date and time.

- 6 Confirm appointment details. In the specified box, please provide any information you'd like your provider to know, such as questions or symptoms you may have. If this is your first time scheduling through the portal, you may be prompted to verify personal information before confirming appointment details.

- 7 Your appointment is confirmed. eCheck-In is not required for in-person appointments, but you may complete the process if you would like.
