

Virtual primary care

How to get care now:

- 1 Log in to your My Premise Health account with your username and password. If you don't have an account, you can create one using the "Sign Up Now" option.

For support, call your wellness center, email mypremisehealthsupport@premisehealth.com or visit mypremisehealth.com and click "Contact Support" for assistance.

- 2 In the dashboard, select "Get Care Now."

This is also located by clicking "Schedule an Appointment" and scrolling to the "Get Care Now" option.

- 3 Choose your country and state, and click "Confirm."

- 4 Choose "Primary Care" to join a queue to immediately see a Provider. Select "Ready for your visit".

- 5 Next, enter what you would like to address during your appointment. Verify how you would like to be contacted for the visit. Click "Complete".

- 6 Follow the on-screen eCheck-In prompts to enter any existing health conditions, medications, medical history and insurance information.

- 7 Verify that all questionnaires have been completed. Once eCheck-In is complete, a Member Engagement Coordinator will call you to verify.

- 8 Once complete, click "Join video visit." You will be connected with the next available provider.
